ROMANIAN LANGUAGE AS A FOREIGN LANGUAGE PREPARATORY YEAR FOR INTERNATIONAL STUDENTS

TUITION FEE
1,980 Euro/academic year

AIMS AND SCOPE

The one-year, full-time academic programme in Romanian as a Foreign Language is addressed to foreign citizens who wish to gain entry onto a Romanian degree programme (at bachelor, master, Ph.D. level), as well as post-graduate and advanced training programmes in various fields. The programme also meets the needs of expatriates who work in Romania and who want to acquire a formal language certification.

The course aims at developing international students' skills in reading, writing, listening and speaking in Romanian for academic purposes. By the end of the course, students will have reached level B2 of the Common European Framework. Besides the 22 contact hours per week, the programme also includes extracurricular activities to ensure that international students understand Romanian academic life and culture. Various social events, excursions, outings and documentary visits to other cities and tourist attractions are organised regularly to ensure social, linguistic and cultural integration.

CERTIFICATION

Students who successfully complete the course and pass the final examination will be awarded a CERTIFICATE OF PROFICIENCY IN ROMANIAN LANGUAGE - B2 LEVEL. The programme is approved by the Romanian Ministry of National Education; therefore certificates are valid across the European Union.
